

WATERZOOKA®

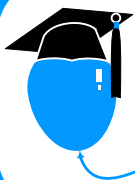

WATERZOOKA®
O-Ring

Buy Now

WATERZOOKA® O-Rings are specifically designed to withstand the rigor of advanced water battle weapons. Built for resistance to water and petroleum-based oils. WATERZOOKA® O-Rings also have good resistance to acids and bases.

Maximum uptime is ensured by a special formulation that provides improved abrasion resistance. Blah, blah, blah...yada, yada, yada...okay talk is cheap - We are so proud of our O-Rings that we offer a **LIFETIME WARRANTY**. If your O-Rings fails, breaks, tears, etc - for any reason - we will replace it. Just return your damaged O-Ring along with \$1 to cover shipping and we will send you a new one - no questions asked. Please see our website for details.
